BUILDING SKILLS FOR LIFE'S CHALLENGES

The mission of the Center for Humanistic Change, Inc. (CHC) is to give people, especially youth, the knowledge and tools they need to make better-informed and more positive life choices. Drug and alcohol prevention programs and life skills training are a core service.

CHC is a 501c3 charitable organization to which contributions are tax deductible as allowed by law. Your investment makes it possible for CHC to provide youth, families and individuals with vital and meaningful prevention education programs - in schools, in the community, and in the workplace.
